Dear Parent/Carer

6th Form Parental Engagement Evening

Thursday 18th September 6.00pm, Upper School Hall

Year 12 and 13 students have now settled into their studies, and we know you will be keen to support them. The transition from GCSE to Advanced courses and from AS courses to A2 courses can be especially difficult for many students and those around them.

You are therefore invited to an information evening which will include a short presentation on aspects of Wellbeing support, with a focus on study support strategies at school and at home. The 6th Form Progress Team will also be available to answer any questions you may have.

If you attended the evening last year, you are welcome to attend again, but the same information will be given.

We look forward to seeing you so that we can work together to ensure that your child achieves their potential over the coming year.

Kind regards

6th Form Progress Team
