

18th September 2025

Dear parent/carers,

Parental/Carer Consultation Evening, 4pm – 5pm on Thursday 2nd October 2025

Your child is now around three weeks into their studies in their new year group at Whitchurch High School. We hope that during this time your child has settled well.

We are aware that the transition to a new year group can be challenging and as part of our continuing induction programme, we would like to offer you the opportunity to discuss any worries or concerns you may have which relate to your child. If you have any concerns, please follow the link below, and I will ensure an appointment is made for you to meet with your child's Wellbeing Tutor, via our online appointment system SchoolCloud, sometime between 4pm – 5pm on Thursday 2nd October.

This evening is for general pastoral issues only and not subject specific issues as subject teachers will not be present on the evening.

In addition to appointments with Wellbeing Tutors, it is also possible on this evening to speak to staff within the Progress Team if necessary.

If, however, the transition has proceeded smoothly, and your child has settled well and you feel that there is no need to attend, we look forward to meeting you at our Engagement Evenings and Progress Evenings throughout the academic year; the dates of these events are available on the whole school calendar which can be found here: [School Calendar - Whitchurch High School \(whitchurchhs.wales\)](https://www.whitchurchhs.wales/school-calendar)

In order to promote the smooth running of this evening, should you wish to book an appointment, we would be grateful if you could complete the form by following this link: <https://forms.office.com/e/TMW1PGtKEJ>

This must be completed by Friday 26th September 2025. We, in turn, will then notify you of the time of your meeting and send you details of how to access your appointment.

Thank you again for your support.

Yours sincerely

Mr D Farrow
