

September 2025

Dear Parent/Guardian,

The Mathematics Faculty has put together a series of short videos with hints and tips to help parents and carers to support their children with revision for the upcoming Year 11 GCSE Mathematics-Numeracy examination in November.

<https://youtu.be/leQ5Ytlx0ZY> - General tips on getting started (4-5 minutes)

<https://youtu.be/6iaUrVK1wF8> - How to support child with maths (9-10 minutes)

<https://youtu.be/cATED7ZOfaY> - Online maths resources evaluated (8-9 minutes)

We hope you find these useful. If you have any questions, please contact your child's Mathematics teacher in the first instance.

We also have a limited number of GCSE revision guides (Hodder) and exam practice workbooks (CGP) available if you would like to purchase one for your son/daughter. Some students find these useful when structuring their revision. They cover the topics in both Mathematics and Mathematics-Numeracy GCSE courses.

The revision guides are £6.60 each and the workbooks are £3.60. These will be available to purchase via parentpay from Wednesday 1st October, on a first come first served basis, and we do not plan to place an order for any more. Please contact Mrs Shepstone on shepstonel@whitchurch.cardiff.sch.uk if you have any questions regarding your parentpay account.

Yours faithfully,

Mrs F Harding
Mathematics Faculty Leader
